**We are pleased
to invite you**

**to the first EBRD Annual Energy
Efficiency Excellence Awards
for the best projects implemented
under SLOVSEFF,**

the event will take place
on November 20, 2008 at 10:00 a.m.

in Hotel Marrol's, Tobručká 4, Bratislava

The award winners will be selected according
to three categories:

- The highest achievement in energy savings
- Most effective energy efficiency improvement project
- The project with the highest financial return

European Bank
for Reconstruction and Development

The representatives of following institutions are invited for the event:

- European Bank for Reconstruction and Development
- Ministry of Economy Slovak Republic
- Slovak Innovation and Energy Agency
- Slovenská sporiteľňa, a.s.
- Tatra banka, a.s.
- VÚB, a.s.
- Slovak Housing Union
- Association of flats owners in Slovakia
- Clients of the best SLOVSEFF Projects
- Media and press

On behalf of EBRD the project manager of the SLOVSEFF programme Mr. Jaroslav Vich, ENVIROS, invites You for the event.

The EBRD launched SLOVSEFF in 2007 in close co-operation with the Slovak Government and the European Union. This credit line provides a total of 60 million euro through four Slovak participating banks.

The credit line provides incentive payments for borrowers from the Bohunice International Decommissioning and Support Fund. The incentives are payable upon successful completion of the projects as a percentage of the disbursed loan amount.
